54	Repair, Maintenance and Manufacture of Motor Vehicles	46.69.03	Wholesale trade of accumulators, batteries and their parts (except those used at homes, motorcycles and motor vehicles)
54	Repair, Maintenance and Manufacture of Motor Vehicles	47.64.02	Retail trade of entertainment and sports vehicles other than motor vehicles in specialized stores (including outboard engines for boats, sailboats, canoes, kayaks, balloons, airships, etc. and watercrafts)
54	Repair, Maintenance and Manufacture of Motor Vehicles	95.29.05	Bicycle repair
55	Iron & Steel	24.10.02	Manufacture of open profiles from steel (not further treated than hot rolling, hot drawing or extrusion operations)
55	Iron & Steel	24.10.03	Manufacture of iron and steel hot or cold rolled flat-rolled products (including iron or steel alloy sheets, strips, plates, tin plates, etc.)
55	Iron & Steel	24.10.05	Production of bars and rods from hot-rolled iron and or steel (including rebar)
55	Iron & Steel	24.20.09	Manufacture of tubes, pipes, hollow profiles and related fittings made of steel
55	Iron & Steel	24.20.10	Manufacture of tube, pipe, hollow profiles and related fittings from steel / iron (cold drawn or cold-rolled)
55	Iron & Steel	24.31.01	Manufacture of steel bars and solid profiles by means of cold drawing method
55	Iron & Steel	24.32.01	Manufacture of steel narrow strips by means of cold rolling method (width <600 mm)
55	Iron & Steel	24.34.01	Manufacture of steel wires by means of cold drawing
55	Iron & Steel	46.72.04	Wholesale trade of iron ore
55	Iron & Steel	46.72.05	Wholesale trade of iron and steel in primary forms in billet (ingot), block, granule, powder, pellet, etc. forms (pig iron, cast iron, manganese, iron, steel and steel alloys, etc.)
55	Iron & Steel	46.72.08	Wholesale trade of iron / steel, rolled / cold rolled flat products
55	Iron & Steel	46.72.09	Wholesale trade of iron / steel bars and rods, profiles, sheet piles, tubes and pipes (including wire rods, rebar, drill pipes, pipes for oil and gas lines, etc. and wire)
55	Iron & Steel	46.72.10	Wholesale trade of iron / steel products in other primary forms (including ribbed plates, sandwich panels and railway or tramway track construction materials)
55	Iron & Steel	47.52.13	Retail trade of iron / steel bars and rods, profiles, tubes and pipes in specialized stores
56	Non - Ferrous Metals	24.41.19	Manufacture of precious metal alloys (excluding jewellery and other similar products)
56	Non - Ferrous Metals	24.42.16	Manufacture of aluminum foil (including those from alloy)

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
56	Non - Ferrous Metals	24.42.17	Manufacture of aluminum (in the unprocessed form)
56	Non - Ferrous Metals	24.42.18	Manufacture of aluminum sheets, plates, strips (including those from alloy)
56	Non - Ferrous Metals	24.42.20	Manufacture of aluminum oxide (except artificial corundum) (alumina)
56	Non - Ferrous Metals	24.42.21	Manufacture of aluminum bars, rods, wire and profiles, tubes, pipes and fittings (including those from alloy)
56	Non - Ferrous Metals	24.43.01	Manufacture of lead plates, sheets, strips, foils, lead powders and flakes (including those from alloy)
56	Non - Ferrous Metals	24.43.02	Manufacture of lead (in the unprocessed form)
56	Non - Ferrous Metals	24.43.04	Manufacture of tin bars, rods, profiles, wires, etc. (including those from alloy)
56	Non - Ferrous Metals	24.43.05	Manufacture of tin (in the unprocessed form)
56	Non - Ferrous Metals	24.43.06	Manufacture of zinc (in the unprocessed form)
56	Non - Ferrous Metals	24.43.07	Manufacture of zinc bars, rods, profiles, wires, etc. (including those from alloy)
56	Non - Ferrous Metals	24.43.08	Manufacture of zinc plates, plates, sheets, strips, foils, zinc powder, etc. (including those from alloy)
56	Non - Ferrous Metals	24.44.01	Manufacture of copper, copper matte and copper powder, cement copper, copper anode and copper and copper alloys
56	Non - Ferrous Metals	24.44.03	Manufacture of copper sheets, plates, sheets, strips, foil (including those from alloy)
56	Non - Ferrous Metals	24.44.04	Manufacture of tubes, pipes by drawing and rolling of copper, their fittings, bars, rods, wires and sections (including those from alloy)
56	Non - Ferrous Metals	24.45.01	Manufacture of raw chromium, manganese, nickel, tungsten, molybdenum, tantalum, cobalt, bismuth, titanium, zirconium, beryllium, germanium, etc. from unprocessed ores or oxides (including their alloys)
56	Non - Ferrous Metals	24.45.02	Manufacture of products made from non-ferrous materials such as chromium, manganese, tungsten, molybdenum, tantalum, cobalt, bismuth, titanium, zirconium, beryllium, germanium, etc. (including cermets and other intermediate products; except
56	Non - Ferrous Metals	24.45.06	Manufacture of nickel mattes, nickel oxide sinters and other intermediate products as well as nickel bars, rods, profiles, wires, sheets, strips, foils, tubes, pipes and fittings
56	Non - Ferrous Metals	24.46.01	Manufacture of metallic uranium from uranium and radium ores or other ores, smelting and refining of uranium (except enriched plutonium, uranium, thorium and their compounds)
56	Non - Ferrous Metals	25.99.90	Production of other fabrication metal products non-classified elsewhere
56	Non - Ferrous Metals	32.12.03	Manufacture of technical and laboratory materials made from precious metals (including smelting pots, spatulas, electroplating anodes, etc.)
56	Non - Ferrous Metals	46.72.01	Wholesale trade of non-ferrous metal ores and concentrates (including aluminum, copper, nickel, lead, zinc, tin, etc. ores; except uranium and thorium ores and precious metal ores)
56	Non - Ferrous Metals	46.72.02	Wholesale trade of non-ferrous metals in primary forms-in slab,block, granule, powder, pellet, plate, bar, rod, profile, etc.forms (including aluminum, copper, nickel, lead, zinc, tin, etc.; except gold,silver and platinum)
56	Non - Ferrous Metals	46.72.06	Wholesale trade of precious metals in primary forms in billet, block, granule, powder, pellet, plate, bar, rod, profile, etc.forms (gold, silver, platinum, etc.)
56	Non - Ferrous Metals	46.72.07	Wholesale trade of uranium and thorium ores
57	Casting and Metal Processing	24.10.01	Manufacture of crude steel (slab or in other primary forms or semi-finished steel products form)
57	Casting and Metal Processing	24.10.06	Production of iron or steel granule and iron power

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
57	Casting and Metal Processing	24.10.07	Remelting scrap iron or steel
57	Casting and Metal Processing	24.10.08	Manufacture of ferrous materials and other sponge iron products obtained by direct reduction of iron ore and production of iron with exceptional purity by means of electrolysis or other chemical methods
57	Casting and Metal Processing	24.10.09	Manufacture of railway and tramway track construction material from steel (unassembled rails and rail equipment, parts, etc.) and sheet piles and welded open profile
57	Casting and Metal Processing	24.10.10	Production of pig iron and manganese cast iron (mirror iron / spiegeleisen) (in ingot, block or other primary forms)
57	Casting and Metal Processing	24.10.12	Production of ferro-alloys (ferro-manganese, ferro silicon, ferro-silico-manganese, ferro-chrome, and others)
57	Casting and Metal Processing	24.33.01	Manufacture of open profiles, ribbed sheets and sandwich panels by means of cold forming or folding methods
57	Casting and Metal Processing	24.51.13	Iron casting (casting of semi-finished iron products, gray iron casting, spheroidal graphite iron casting, casting of malleable cast iron products, manufacturing of tubes, pipes and hollow profiles as well as tubes and pipes from cast iron)
57	Casting and Metal Processing	24.52.20	Steel casting
57	Casting and Metal Processing	24.53.01	Casting of light metals (casting of semi-finished products from aluminum, magnesium, titanium, zinc, etc. as well as cast light metals)
57	Casting and Metal Processing	24.54.01	Casting of non-ferrous heavy metals (copper, etc.).
57	Casting and Metal Processing	24.54.02	Casting of precious metals
57	Casting and Metal Processing	25.50.01	Metal forging, pressing and stamping
57	Casting and Metal Processing	25.50.02	Powder metallurgy
57	Casting and Metal Processing	25.62.01	Cutting of and printing on metals using CNC oxygen, CNC plasma, CNC water jet, etc. machines
57	Casting and Metal Processing	25.62.02	Machine processing of metals (activities such as turning and leveling works, metal parts, drilling, turning, milling, planing, polishing, chamfering, polishing, assembly, welding, etc.) (except metal laser cutting)
57	Casting and Metal Processing	25.62.03	Metal cutting or overwriting by lazer beam
57	Casting and Metal Processing	25.73.03	Manufacture of metal molds and casting models (except cake and shoe molds)
57	Casting and Metal Processing	25.73.06	Manufacture of molds and casting models from wood or other materials (except cake and shoe molds)
58	Metal Products and Kitchen Equipment	25.11.06	Manufacture of metal skeleton and metal roofs for buildings and construction parts (towers, poles, supports, bridges, etc.) (except shutters and fire escapes and prefabricated buildings)
58	Metal Products and Kitchen Equipment	25.11.07	Manufacture of metal shutters and fire escapes
58	Metal Products and Kitchen Equipment	25.11.08	Manufacture of prefabricated metal structures
58	Metal Products and Kitchen Equipment	25.12.04	Manufacture of aluminum doors, windows, their frames, door sills, shutters, etc.
58	Metal Products and Kitchen Equipment	25.12.05	Manufacture of steel doors, windows, their frames, door sills, shutters, etc.
58	Metal Products and Kitchen Equipment	25.12.06	Manufacture of iron doors, windows, their frames, door sills, shutters, etc. (including garden gates)
58	Metal Products and Kitchen Equipment	25.29.01	Manufacture of metal containers used for compressed or liquefied gas
58	Metal Products and Kitchen Equipment	25.29.02	Manufacture of metal reservoirs, tanks, vats and similar containers with a capacity > 300 liters (except those for compressed or liquefied gases and those with mechanical or thermal equipment)

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
58	Metal Products and Kitchen Equipment	25.71.01	Manufacture of spoons, forks, ladles, skimmers, cake-servers, sugar tongs and similar kitchen utensils, tableware, cutleries (including fish-knives, breakfast and fruit knives; except table knives)
58	Metal Products and Kitchen Equipment	25.71.02	Manufacture of table knives (except fish-knives, breakfast and fruit knives), pruning knives, switchblade knives, etc. (except those for machines) and scissors such as tailor scissors, etc. and their blades
58	Metal Products and Kitchen Equipment	25.71.03	Manufacture of swords, cutlasses, bayonets, lances, bayonets, knives, and similar weapons and their parts
58	Metal Products and Kitchen Equipment	25.71.04	Manufacture of manicure or pedicure sets and tools, paper knives, letter openers, pencil sharpeners and their blades, crushing, splitting and chopping knives, hair cutting and animal hair-cutting machines and tools and similar non-electrica
58	Metal Products and Kitchen Equipment	25.71.05	Manufacture of razor blades, razors and shaving razors and electric razors
58	Metal Products and Kitchen Equipment	25.91.01	Manufacture of steel drums and similar containers
58	Metal Products and Kitchen Equipment	25.92.01	Manufacture of iron or steel boxes for foods, drinks and other products with a capacity <50 liters (those sealed by soldering or crimping) (including those made of tin)
58	Metal Products and Kitchen Equipment	25.92.02	Manufacture of crown seals (bottle caps, etc.) and stoppers as well as caps and lids from base metal
58	Metal Products and Kitchen Equipment	25.92.03	Manufacture of aluminum barrels, buckets, boxes, etc. with a capacity not exceeding 300 lt. (including tubes with lids such as tooth paste, cream, etc. and aerosol boxes)
58	Metal Products and Kitchen Equipment	25.99.01	Manufacture of tableware and kitchenware from iron, steel and aluminum (pots, pans, kettles, coffee pots, cooking utensils, wire wools, etc.) (including those coated with Teflon, enamel, etc.; except those made of copper)
58	Metal Products and Kitchen Equipment	25.99.02	Manufacture of metal sinks, washbasins, bathtubs, shower trays, whirlpool (whether enamel or not) and other sanitary products
58	Metal Products and Kitchen Equipment	25.99.03	Manufacture of armored or reinforced safes, vaults, locked safes, armored doors, etc. (base metal)
58	Metal Products and Kitchen Equipment	25.99.04	Manufacture of office supplies from base metal (file boxes, stamps, staples, paper clips, etc.)
58	Metal Products and Kitchen Equipment	25.99.05	Manufacture of various goods from metal (clips, combs, hair clips, hairpins, curlers, buckles, clothes hangers, badges, ranks, traps, waste baskets, cigarette cases, pallets, reels, hooks, cosmetic boxes, etc.) (except those used in manufac
58	Metal Products and Kitchen Equipment	25.99.06	Manufacture of copper tableware and kitchenware (pots, pans, bowls, plates, pitchers, etc.)
58	Metal Products and Kitchen Equipment	25.99.07	Manufacture of permanent metallic magnets
58	Metal Products and Kitchen Equipment	25.99.09	Manufacture of aluminum jalousie curtains
58	Metal Products and Kitchen Equipment	25.99.11	Manufacture of goods such as rings, bells, gongs, etc. and trinkets, figurines, frames, mirrors and other ornaments from base metal (including bicycle bell, but those made by molding; except copper ones and kitchenware)
58	Metal Products and Kitchen Equipment	25.99.12	Manufacture of goods such as rings, bells, gongs, etc. and trinkets, figurines, frames, mirrors and other ornaments from base metal by molding (including bicycle bell, but those made by molding; except copper ones and kitchenware)
58	Metal Products and Kitchen Equipment	25.99.13	Manufacture of metal gutters, roof coverings, etc.
58	Metal Products and Kitchen Equipment	25.99.15	Manufacture of lead tubes, pipes and their fittings as well as lead bars, rods, profiles, wires, etc. (including those from alloy)
58	Metal Products and Kitchen Equipment	25.99.16	Manufacture of tin plates, sheets, plates, strips, foils, tubes, pipes and tin powders and other products
58	Metal Products and Kitchen Equipment	25.99.17	Manufacture of Zinc tubes, pipes and fittings parts and other products
58	Metal Products and Kitchen Equipment	25.99.18	Decoration works via made of trinkets copper,frames,mirrors and other ornaments (except kitchen utensils)
58	Metal Products and Kitchen Equipment	25.99.20	Manufacture of non- electric fruit and vegetable slicing, chopping and waters extraction tools, meat mincers, coffee and spice grinders, hand mortar, render etc. hand -powered kitchen appliances and accessories
58	Metal Products and Kitchen Equipment	25.99.21	Manufacture of non-electric rotary chamber chimney, ventilation channels etc.

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
58	Metal Products and Kitchen Equipment	28.21.07	Manufacture of electric or non-electric laboratory furnaces, cupolas etc., industrial furnaces and ovens (including incinerators with electric bread and bakery)
58	Metal Products and Kitchen Equipment	28.21.11	Manufacture of induction or dielectric heating equipment
58	Metal Products and Kitchen Equipment	32.12.08	Manufacture of tableware, cutlery, toiletries, office supplies, etc. made of base metals clad by precious metals or by pressing with precious metals
58	Metal Products and Kitchen Equipment	46.15.04	Brokers making wholesale trade of cutlery, other cutting tools and household goods not elsewhere classified on a fee or contract basis
58	Metal Products and Kitchen Equipment	46.49.07	Wholesale trade of cutlery and other cutting tools and metal tableware and kitchenware (including copper utensils)
58	Metal Products and Kitchen Equipment	47.59.06	Retail trade of metal tableware and kitchenware in specialized stores (Including pressure cooker, cookware, coffee pot, dish, etc. except cutlery, with copper ones)
58	Metal Products and Kitchen Equipment	47.59.09	Retail trade of copper goods, copper tableware and kitchenware in specialized stores
58	Metal Products and Kitchen Equipment	47.89.10	Retail trade of kitchen utensils with goods used in bathroom and toilet via stalls and markets (except peddlers)
59	Machinery and Equipment	25.21.10	Manufacture of central heating radiators (except electrical radiators)
59	Machinery and Equipment	25.21.11	Manufacture of central heating boilers, (boilers, central heating boilers and other heating systems) (except steam generators and producing hot water boilers)
59	Machinery and Equipment	25.21.12	Manufacture of central heating radiators. Casting ones (except electric radiators)
59	Machinery and Equipment	25.30.01	Manufacture of condensers for steam generating boilers (steam generators), hot water boilers and parts thereof boilers and steam or other vapor power units
59	Machinery and Equipment	25.30.02	Manufacture of nuclear reactors and parts of nuclear reactors (except isotope separators)
59	Machinery and Equipment	26.51.90	Manufacture of search, detection, navigation, aeronautical, and nautical equipment n.e.c. (including hydraulic or pneumatic automatic adjustment or control instruments and milometers, pedometers, stroboscope, manostats, calipers, spectromet
59	Machinery and Equipment	28.13.01	Manufacture of air or vacuum pumps, and air or other gas compressors (except hand and foot-operated air pumps and motor vehicles)
59	Machinery and Equipment	28.13.03	Manufacture of hand and foot-operated air pumps
59	Machinery and Equipment	28.14.01	Manufacture of other taps and valves (including industrial faucets, valves, taps and valves used in plumbing and heating with valves of natural gas)
59	Machinery and Equipment	28.14.02	Manufacture of other taps and valves (including industrial faucets, valves, taps and valves used in plumbing and heating with valves of natural gas. except bulk)
59	Machinery and Equipment	28.21.08	Manufacture of furnace burners (detonators)
59	Machinery and Equipment	28.21.09	Manufacture of mechanical stokers, mechanical grates, mechanical ash dischargers and similar appliances
59	Machinery and Equipment	28.21.10	Manufacture of solar collectors, steam and oil heating systems and electrical household - type heating equipment as well as furnaces and heating equipment
59	Machinery and Equipment	28.21.90	Manufacture of furnaces not elsewhere classified (industrial furnace)
59	Machinery and Equipment	28.22.10	Manufacture of lifting, handling, loading or unloading machinery via hand or engine-powered (winch pulley, hoist,, jack, anchor winch, forklift, lifting and carrying rigs, cranes, winches, mobile lifting frames etc.)
59	Machinery and Equipment	28.22.11	Manufacture of elevator, escalators and active walkways (except underground used)
59	Machinery and Equipment	28.22.12	Manufacture of pneumatic and other continuously active elevators, conveyors and elevator
59	Machinery and Equipment	28.22.13	Manufacture of other lifting, handling, loading or unloading machinery (traction mechanisms for cable cars, chairlifts, etc. loading machines and others for agricultural use, smart shelf systems and others)

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
59	Machinery and Equipment	28.25.01	Manufacture of industrial refrigerating and freezing equipment and heat pumps (glass-fronted, bench or furniture type coolers, compressor units of which condensers have heat exchanger function etc.)
59	Machinery and Equipment	28.25.02	Manufacture of Industry type fan and ventilator (including roof ventilation fan)
59	Machinery and Equipment	28.29.01	Manufacture of petroleum refineries, chemical industry, beverage industry etc. for distilling and rectifying equipment
59	Machinery and Equipment	28.29.02	Manufacture of gas generators, water gas generators, acetylene gas generators etc.
59	Machinery and Equipment	28.29.03	Manufacture of bottles or other containers of cleaning and drying machines (jars, cans, drums, box, etc.)
59	Machinery and Equipment	28.29.04	Manufacture of machinery and apparatus for liquid filtering or purifying (including water filtration/purifying equipment)
59	Machinery and Equipment	28.29.05	Manufacture of filling, packing and packaging machinery (machines for filling, closing, sealing, encapsulation or labeling and gasing of drinks etc.)
59	Machinery and Equipment	28.29.06	Manufacture of automated product sale machinery (food, drinks, etc. vending machines) (including money change machines)
59	Machinery and Equipment	28.29.08	Manufacture of weighing instruments and scales (scales and weighbridges used in homes and shops, scales for continuously measurement, vehicle scales (bridge type scales) etc.) (except precision scales used in jewelry and laboratories)
59	Machinery and Equipment	28.29.09	Manufacture of centrifuge (except cream machine, tumble dryer used in laboratories)
59	Machinery and Equipment	28.29.12	Manufacture of industry type dishwashing machines
59	Machinery and Equipment	28.29.17	Manufacture of calendaring or other rolling machines (except for metal and glass)
59	Machinery and Equipment	28.29.19	Manufacture of level detection instruments (levelling instrument), measurement sticks, tape measure, steel ruler, rulers and other measuring instruments used with hand
59	Machinery and Equipment	28.29.20	Manufacture of machinery not elsewhere classified for processing substances via heat exchange (cooling towers, etc. for directly cooling via water circulation and vacuum steam plants for coating of metals by means of vacuum deposition, et
59	Machinery and Equipment	28.30.09	Manufacture of machinery and equipment used for cleaning eggs, fruit and other agricultural products and sorting or grading
59	Machinery and Equipment	28.30.11	Manufacture of poultry machinery, bee-keeping machinery and animal feed preparation machinery and equipment (including incubators)
59	Machinery and Equipment	28.30.13	Manufacture of harvesting and threshing machinery (harvester, haymaking machine, straw and hay baling machine, root and tuber harvesting machines, etc.)
59	Machinery and Equipment	28.30.14	Manufacture of tools used in preparation of plow, harrow, disc harrows, scarifies, cultivators, anchors machine, drills, seedlings and planting machines, etc. and tools used in preparation of the soil, cultivation and planting as well as fe
59	Machinery and Equipment	28.30.15	Manufacture of milking machines
59	Machinery and Equipment	28.92.01	Manufacture of concrete and mortar mixer (including mixers, except concrete mixer trucks)
59	Machinery and Equipment	28.92.02	Manufacture of bulldozer, angle dozer, graders, scrapers, leveling, front shovel - loaders, shovel loaders, mechanical shovels, excavators, piling (pile-drivers) and disassemble machines, mortar and asphalt spreader and concrete coating mac
59	Machinery and Equipment	28.92.03	Manufacture of machinery used for treating stones, soil, ore, gypsum, cement and sorting, screening, separating, washing, crushing, grinding, mixing, kneading, etc. of other mineral substances (except concrete and mortar mixers)
59	Machinery and Equipment	28.92.05	Manufacture of coal or rock cutters, tunnel and well boring and drilling machines (underground or over ground)
59	Machinery and Equipment	28.92.06	Manufacture of continuously active elevators and conveyors for underground use
59	Machinery and Equipment	28.92.10	Manufacture of other machinery used for snow plow and sprayers, soil compaction or pressing machines and mine, quarry, construction, zoning, parking etc.
59	Machinery and Equipment	28.92.11	Manufacture of parts of boring, drilling, earthmoving and excavation machines, cranes and mobile lifting frames and machine parts used in sorting, grinding, mixing of earth, stone and similar materials or other works (including bulldozer bl

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
59	Machinery and Equipment	28.93.01	Manufacturing or industrial preparation of machinery for foods and beverages not elsewhere classified (industrial preparation or manufacturing of machines for bread, biscuits, pasta, sweets, chocolate, sugar, meat, fruit, vegetables, oils a
59	Machinery and Equipment	28.93.02	Manufacture of machinery used for manufacturing wines, fruit juices etc. (presses, crushers and similar machinery )
59	Machinery and Equipment	28.93.03	Manufacture of machinery of dairy products and centrifugal cream separator (homogenizer, irradiator, oil making machinery , cheese making machinery , etc.)
59	Machinery and Equipment	28.93.04	Manufacture of machinery used for preparation and processing of tobacco (machinery separating stem from tobacco and machinery used in manufacturing of snuff, cigarettes, cigars, pipe tobacco or chewing tobacco)
59	Machinery and Equipment	28.93.06	Manufacture of machinery used in milling industry for processing and grinding of grain or dried vegetables (machinery of screens, bran cleaner, rice peeling, etc. for producing flour, middling, etc.)
59	Machinery and Equipment	28.93.07	Manufacture of non-electrical furnaces for bread and other bakery products (gas, liquid and solid fuel ones)
59	Machinery and Equipment	28.93.08	Manufacture of non-domestic equipment for cooking or heating (including non-domestic filter coffee machines etc.)
59	Machinery and Equipment	28.93.09	Manufacture of dryers for agricultural products (including roasting machinery and equipment for coffee, dried nuts, etc.)
59	Machinery and Equipment	28.93.10	Manufacture of machinery used for sorting, grading, cleaning of seed, grain or dried leguminous vegetables (including agricultural selectors)
59	Machinery and Equipment	28.94.01	Manufacture of machinery used for processing of leather, post and handling of stout leather with the processing or repairing of shoes and other leather goods
59	Machinery and Equipment	28.94.02	Manufacture of industry type washing machine, dry cleaning machine, tumble dryer, ironing machines and pressing ironer
59	Machinery and Equipment	28.94.03	Manufacture of industry type and household type sewing machinery (including needles, furniture, bases, caps, etc. of sewing machines pieces)
59	Machinery and Equipment	28.94.04	Manufacture of the machinery used for extruding, drawing, texturing or cutting artificial and synthetic textile materials and natural textile fiber preparation machinery and textile machinery (including carding machine, etc.)
59	Machinery and Equipment	28.94.05	Manufacture of machinery for textile yarn and fabric washing, bleaching, dyeing, finishing, cleaning, wringing, winding, impregnation, cutting, serging, and the like and machines used in felt manufacturing and finishing
59	Machinery and Equipment	28.94.06	Manufacture of machinery for textile spinning with doubling, twisting, coil winding or reeling
59	Machinery and Equipment	28.94.07	Manufacture of knitting, tricotage, etc. and tufting machinery (including gimped yarn, tulle, lace, embroidery, trimmings, knitting or netting machinery )
59	Machinery and Equipment	28.94.08	Manufacture of auxiliary machinery for use with textile and textile printing (dobbies, jacquard, etc.) (including offset printing machines, typographic, flexographic, gravure printing machines)
59	Machinery and Equipment	28.94.09	Manufacture of machinery parts used for textile, apparel and leather production (except used in sewing machines)
59	Machinery and Equipment	28.95.01	Manufacture of machines and parts which is used producing paper and board
59	Machinery and Equipment	28.96.01	Manufacture of plastics and rubber machinery (machinery used for handling plastics and rubber or manufacturing via these materials)
59	Machinery and Equipment	28.99.01	Manufacture of printing and bookbinding and auxiliary printing machinery and parts (offset printing, typographic printing machine, typesetting machine, machines for printing molds, binding machines etc.) (except office type printing machine
59	Machinery and Equipment	28.99.02	Manufacture of machinery used for assembling and manufacturing of glass and glassware and hot processing of glassware and electric or electronic lamps, tubes, bulbs
59	Machinery and Equipment	28.99.04	Manufacture of machinery used for producing tiles, bricks, shaped ceramic clay, pipe, graphic electrode, blackboard chalk, etc.
59	Machinery and Equipment	28.99.05	Manufacture of automated bowling hall equipment, ferris wheel, carousel, swing, polygons, etc. and other fairground amusement equipment and casino game tables
59	Machinery and Equipment	28.99.06	Manufacture of air vehicle launching equipment, catapults used in aircraft carriers (mechanism enabling departure of short distance aircrafts) and related equipment
59	Machinery and Equipment	28.99.07	Manufacture of machinery and devices used for manufacturing of semiconductor single crystalline ingot (bullion) and semiconductor devices, electronic integrated circuits or flat panel displays

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
59	Machinery and Equipment	28.99.08	Manufacture of twine and rope machinery

60	Machine Tools and Automation	33.12.07	Maintenance and repair of weighing instruments
60	Machine Tools and Automation	33.12.08	Maintenance and repair of the machinery used at mining, construction, oil and gas fields
60	Machine Tools and Automation	33.12.09	Maintenance and repair of motocolteur and tractors used in agriculture and forestry
60	Machine Tools and Automation	33.12.10	Maintenance and repair of equipment, pumps, compressors and valves working with fluid power (including repair of fuel pumps)
60	Machine Tools and Automation	33.12.11	Maintenance and repair of metalworking machines and machine tools (including CNC ones)
60	Machine Tools and Automation	33.12.14	Maintenance and repair of metallurgy machinery
60	Machine Tools and Automation	33.12.15	Maintenance and repair of food, beverage and tobacco processing machinery
60	Machine Tools and Automation	33.12.16	Maintenance and repair of textile, wearing apparel and leather production machinery (including repair of tricot machines)
60	Machine Tools and Automation	33.12.17	Maintenance and repair of machinery used in production of paper, cardboard and paperboard
60	Machine Tools and Automation	33.12.19	Maintenance and repair of machine tools used in processing wood, cork, stone, hard rubber and similar hard materials (including CNC ones)
60	Machine Tools and Automation	33.12.21	Maintenance and repair of liquid filtering or purifying machinery and apparatus
60	Machine Tools and Automation	33.12.28	Maintenance and repair of machinery used in plastic and rubber processing
60	Machine Tools and Automation	33.12.29	Maintenance and repair of industrial bearings, gears, gearing and driving elements
60	Machine Tools and Automation	33.12.30	Maintenance and repair of trailers used for agricultural purposes
60	Machine Tools and Automation	33.19.90	Repair of other equipment not elsewhere classified (wooden containers, ship drums and barrels, coin-operated game machines, grindstone, whetstone, etc.)
60	Machine Tools and Automation	46.62.01	Wholesale trade of woodworking machine tools and parts (including clamps)
60	Machine Tools and Automation	46.62.02	Wholesale trade of metalworking machine tools and parts (including clamps)

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
60	Machine Tools and Automation	46.62.90	Wholesale trade of machine tools and parts for processing other materials (including clamps) (except those used in woodworking and metal processing)
60	Machine Tools and Automation	46.69.07	Wholesale trade of lifting and handling equipment (forklifts, vehicle lifts, elevators, escalators, conveyors, cranes, etc.).
60	Machine Tools and Automation	46.69.08	Wholesale trade of machinery and parts used in food, beverages and tobacco industry (cleaning and filling machines for bottles, etc. containers, machinery for dairy products, beverage and tobacco processing machinery, agricultural product d
60	Machine Tools and Automation	46.69.11	Wholesale trade of gas, liquid or electricity supply or production meters
60	Machine Tools and Automation	46.69.12	Wholesale trade of water vapor, power and gas turbines
60	Machine Tools and Automation	46.69.14	Wholesale trade of devices basing on X-rays or alpha, beta or gamma rays
60	Machine Tools and Automation	46.69.15	Wholesale trade of steam generating boilers and water heating boilers
61	Technical Hardware	13.92.07	Manufacture of life jackets and life-saving wheels
61	Technical Hardware	13.92.08	Manufacture of parachutes (including dirigible parachutes) and rotochutes and their parts
61	Technical Hardware	22.29.02	Manufacture of plastic seamless wearing apparels and clothing accessories (including gloves)
61	Technical Hardware	23.91.01	Manufacture of abrasive products (millstones, grindstones, grinding stones, etc.) (except woven textile, paper and paperboard pinned abrasives)
61	Technical Hardware	23.91.02	Abrasives pinned on woven textile, paper and paperboard
61	Technical Hardware	25.40.01	Manufacture of non-military firearms and similar devices such as revolvers, pistols, shotguns, air guns, batons, etc. and their components
61	Technical Hardware	25.40.02	Manufacture of military weapons and their parts (big cannons, combat vehicles, missile launchers, torpedo shells, heavy machine guns, etc.)
61	Technical Hardware	25.40.03	Manufacture of bombs, missiles and similar warfare munitions, cartridges, other ammunition and projectiles and their parts
61	Technical Hardware	25.72.01	Manufacture of padlocks, locks, keys, hinges, automatic door closers, locking clips, mountings, wire hangers, dish racks, key hangers, etc. and castors for buildings, furniture, vehicles, etc.
61	Technical Hardware	25.73.02	Manufacture of hand tools, machine tool bits, saw blades, clamps, clamps, compression keys, etc.
61	Technical Hardware	25.73.04	Manufacture of jewelry tools and their parts (tools such as pliers, chisels, hammers, etc.)
61	Technical Hardware	25.93.01	Manufacture of metal chains (articulated link chain and their parts and springs and leaves for springs, coated or cored wires, rods, tubes, plates, and electrodes (except those used for electrical works and those with electrical insulation)
61	Technical Hardware	25.93.02	Manufacture of needles, safety pins, bodkins, knitting needles, crochet hooks, staples, nails, etc.
61	Technical Hardware	25.93.03	Manufacture of other products made from wire(stranded wire,plaited bands, slings, barbed wire (except those with electrical insulation) and iron, steel or copper wire cloth, grills, netting and fencing)
61	Technical Hardware	25.94.01	Manufacture of threaded fasteners from iron, steel or copper (products such as washers, rivets, cotter pins, splint, etc.)
61	Technical Hardware	25.94.02	Manufacture of threaded connection materials from iron, steel or copper (threaded products such as screws, bolts, nuts, etc.)
61	Technical Hardware	25.99.10	Manufacture of metal stairs
61	Technical Hardware	26.51.02	Manufacture of detectors (detectors for underground resources, mining, mines, safety control, radiation, etc.)
61	Technical Hardware	26.51.03	Manufacture of devices and tools used to measure and check electrical quantities (voltage, current, etc.) (multimeter, voltmeter, oscilloscope and those for measuring or checking other voltage, current, resistance or electrical power) (exce

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
61	Technical Hardware	26.51.05	Manufacture of devices and tools used to measure heat and temperature (thermometers, thermostats, pyrometers, etc.)
61	Technical Hardware	26.51.06	Manufacture of devices and tools used for measuring light, ray and color (polarimeter, colorimeters, refractometers, etc.)
61	Technical Hardware	26.51.07	Manufacture of devices and tools used in meteorology
61	Technical Hardware	26.51.09	Manufacture of devices and tools used for measuring and checking air, liquid and gas flow, level, pressure or other variables (hydrometers, flow meters, barometers, hygrometers, etc.).
61	Technical Hardware	26.51.10	Manufacture of gas, liquid or electricity consumption meters
61	Technical Hardware	26.51.11	Manufacture of equipped drafting tables and machines and other drawing, marking or mathematical calculation tools (including drawing sets, pantographs, painting, drawing, accounting specific electrical / electronic plotters, etc.)
61	Technical Hardware	26.51.12	Manufacture of precision balances used at laboratory, jewelry, etc.
61	Technical Hardware	26.51.13	Manufacture of the process control equipment used at industry
61	Technical Hardware	26.51.14	Manufacture of rangefinders, theodolites and other field surveying, hydrographic, oceanographic, hydrological or geophysical tools and devices
61	Technical Hardware	26.51.15	Manufacture of radio devices for navigational aid and remote control devices (rockets, missiles, machines, etc.)
61	Technical Hardware	27.90.05	Manufacture of electrical welding and soldering equipment (soldering iron, arc welding machines, induction welding machines, etc.) and electrical machines and devices for hot spraying of metals or sintered metal carbides
61	Technical Hardware	28.15.01	Manufacture of bearings and mechanical power transmission equipment (ball and roller bearings, transmission shafts, cam and crank shafts, crankshafts, etc. and roller bearings, plain shaft bearings, bearing housings and shaft bearings, etc.
61	Technical Hardware	28.15.04	Manufacture of flywheels and pulleys as well as jointed connection chains and power transmission chains
61	Technical Hardware	28.24.01	Manufacture of motor or pneumatic hand tools (sanding, grinding, polishing, etc. electric hand-held tools and circular or chain saw, drill, nailing tools, rivet guns, etc.).
61	Technical Hardware	28.29.07	Manufacture of gaskets and mechanical seals from metal layers (those made of metal plates combined with other materials or made of two or more metal sheets)
61	Technical Hardware	28.29.10	Manufacture of liquid and powder blasting, dispersing or spraying mechanical devices such as fire extinguishers, spray guns, steam or sand blasting machines, etc.
61	Technical Hardware	28.29.11	Manufacture of non-electrical welding and soldering equipment and gas-operated surface tempering machinery and devices (including blowtorch and torch)
61	Technical Hardware	28.30.12	Manufacture of lawn mowers (including cutter bars mounted on tractors)
61	Technical Hardware	28.30.16	Manufacture of liquid or powder blasting, dispersing, spraying and climatization, machines used in agriculture and horticulture (irrigation tools, sprayers, portable liquid and powder sprayers used for pesticides, frost propeller etc.).
61	Technical Hardware	28.30.17	Manufacture of forestry-peculiar machinery and other machines and devices peculiar to field and garden care
61	Technical Hardware	32.91.01	Manufacture of brooms and brushes for home or office cleaning (except electric ones)
61	Technical Hardware	32.91.02	Manufacture of painting, whitewashing, wallpaper and varnish brushes and rolls
61	Technical Hardware	32.99.04	Manufacture of all kinds of fountain pens, ballpoint pens and pencils as well as crayons and pastels whether or not mechanical (including pen tips and pencil interiors)
61	Technical Hardware	32.99.08	Manufacture of date, stamp, seal or numbering stamps, numerators, hand-operated printing tools, embossing labels, hand printing sets, instant typewriter ribbons and punches
61	Technical Hardware	32.99.09	Manufacture of protective respiratory equipment and gas masks (except medical ones)
61	Technical Hardware	32.99.10	Manufacture of fire-resistant and protective safety clothing and helmets and other protection products (except respiratory equipment and gas masks)

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
61	Technical Hardware	32.99.11	Manufacture of cork life preservers
61	Technical Hardware	32.99.13	Manufacture of vacuum jugs and flasks
61	Technical Hardware	32.99.16	Manufacture of writing or drawing boards
61	Technical Hardware	33.12.12	Repair of power-driven or pneumatic hand tools (circular/reciprocating/chain saws, drills, pneumatic or power-driven metal cutting shears, impact bolt wrench etc.)
61	Technical Hardware	33.12.13	Repair of electrical welding and soldering equipment
61	Technical Hardware	33.12.27	Maintenance and repair of cutlery and hand tools (guillotine presses, band saws, hand saws, hoes, sickles etc. including grinding and sharpening) (except power-driven or pneumatic ones)
61	Technical Hardware	33.12.90	Maintenance and repair of other machines n.e.c. (including fill and repair of fire extinguishers)
61	Technical Hardware	35.22.02	Maintenance and repair of gas counters
61	Technical Hardware	46.15.02	Agents involved in the sale of hardware and hand tools
61	Technical Hardware	46.61.03	Wholesale trade of parts and components of lawn mowers and garden machinery and equipment
61	Technical Hardware	46.62.04	Wholesale trade of the machines used for soldering or welding and the electrical machinery, equipment and parts of used in hot spraying of metals or sintered metal carbides
61	Technical Hardware	46.69.04	Wholesale trade of compressor and components (for cooling, ventilation and other purposes)
61	Technical Hardware	46.69.05	Wholesale trade of weapons and ammunition (including guns, shotguns etc.)
61	Technical Hardware	46.69.06	Wholesale trade of parts and components related with machinery and equipment (millstones, grindstones, grinding and abrasive products, conveyor belts, glass and ceramic products for technical applications, bearings etc.) (except for motor v
61	Technical Hardware	46.69.10	Wholesale trade of equipment for burglary and fire alarms and the signaling and traffic control equipment (except for houses and cars)
61	Technical Hardware	46.69.13	Wholesale trade of scales, weighbridges and other weighing and measuring machines (except for household)
61	Technical Hardware	46.69.16	Wholesale trade of armored or reinforced safes, boxes and strong rooms, armored or reinforced doors, lockboxes, money or document boxes etc. (made of base metal)
61	Technical Hardware	46.69.17	Wholesale trade of fire extinguishers, spraying guns, steam and sand blasting machinery and similar devices (except agricultural uses and the fire extinguishers for vehicles)
61	Technical Hardware	46.69.18	Wholesale trade of personal protective equipment for occupational security
61	Technical Hardware	46.69.90	Wholesale trade of other machinery, device and tools for general and specialized purposes (including metal casting molds, iron or steel tanks, casks, drums, cans, boxes and corks, bottle caps etc.)
61	Technical Hardware	46.74.01	Wholesale trade of hardware materials and hand tools (nails, staples, screws, base metal locks, hinges, fittings, hammer, saw, pliers, screwdrivers, bits of machine tools, hooks, rings, rivets etc.)
61	Technical Hardware	46.74.05	Wholesale trade of iron and steel barbed wire, copper or aluminum braided wire, cable, plaited bands or derivatives (except for electrical insulation), iron, steel or copper wire fabric, grills, nets, trellis and fencing
61	Technical Hardware	46.74.07	Wholesale trade of agricultural and forestry tools and materials (including axe, pickaxe, sickle, scythe etc. except machinery and equipment for agricultural purposes)
61	Technical Hardware	47.52.02	Retail trade of hardware materials and hand tools in specialized stores (nails, staples, screws, base metal locks, hinges, fittings, hammer, saw, pliers, screwdrivers, bits of machine tools, hooks, rings, rivets etc.) (including hand tools
61	Technical Hardware	47.52.16	Retail trade of lawn mowers and garden machinery and equipment in specialized stores (including snow ploughs) (except hand tools for agriculture and gardening)
61	Technical Hardware	47.78.05	Retail trade of weapons and ammunition in specialized stores (except for sport and hunting purposes)

61	Technical Hardware	95.29.04	Locksmith and key duplication services
62	Marble Works and Mining	07.10.01	Mining of iron ores (including production of sintered iron ore)
62	Marble Works and Mining	07.21.01	Separation of uranium metal from ores containing tar and bitumen
62	Marble Works and Mining	07.21.02	Separation of thorium metal from ores containing tar and bitumen
62	Marble Works and Mining	07.21.03	Mining of uranium
62	Marble Works and Mining	07.21.04	Mining of thorium
62	Marble Works and Mining	07.21.05	Manufacture of yellowcake (U3O8) (made of uranium ore)
62	Marble Works and Mining	07.29.01	Mining of precious metals such as gold, silver, platinum
62	Marble Works and Mining	07.29.02	Mining of aluminum
62	Marble Works and Mining	07.29.03	Mining of copper
62	Marble Works and Mining	07.29.04	Mining of nickel
62	Marble Works and Mining	07.29.05	Mining of lead, zinc and tin
62	Marble Works and Mining	07.29.06	Mining of chrome
62	Marble Works and Mining	07.29.07	Mining of other non-ferrous metal ores n.e.c. (mercury, manganese, cobalt, molybdenum, tantalum, vanadium etc.) (except precious metals, iron, copper, lead, zinc, aluminum, tin, chromium, nickel etc.)
62	Marble Works and Mining	08.11.01	Quarrying of marble (including travertine)
62	Marble Works and Mining	08.11.02	Quarrying of granite
62	Marble Works and Mining	08.11.03	Quarrying of building stones
62	Marble Works and Mining	08.11.04	Breaking and crushing of ornamental and building stone
62	Marble Works and Mining	08.11.05	Quarrying of dolomite and slate
62	Marble Works and Mining	08.11.06	Quarrying of chalk (limestone) (including rough crushing and breaking of limestone)
62	Marble Works and Mining	08.11.07	Quarrying of chalk, gypsum and anhydrite (including quarrying, crushing and cooking processes)
62	Marble Works and Mining	08.12.01	Operation of gravel and sand pits (except stone breaking and mining of clays and kaolin)
62	Marble Works and Mining	08.12.02	Breaking and crushing of gravel
62	Marble Works and Mining	08.12.03	Mining of clay, refractory clay and kaolin and extraction of bentonite andalusite, kyanite, sillimanite, mullite, chamotte or dinas earths

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
62	Marble Works and Mining	08.91.01	Mining of chemical and fertilizer minerals (nitrogen, potassium, phosphorus, phosphate, nitrate, barite, barium, pyridine etc.) (except mining of boron and sulfur)
62	Marble Works and Mining	08.91.02	Mining of boron mineral
62	Marble Works and Mining	08.91.03	Mining of sulfur (quarrying)
62	Marble Works and Mining	08.91.04	Guano mining (including bird manure and saltpeter)
62	Marble Works and Mining	08.91.05	Quarrying of amber, jet and meerschaum
62	Marble Works and Mining	08.93.01	Rock salt mining (including shifting and breaking of the salt) (excluding transforming the salt to edible salt)
62	Marble Works and Mining	08.93.02	Production of sea, lake and spring salt (excluding transforming the salt to edible salt)
62	Marble Works and Mining	08.99.01	Mining of abrasive materials (sandpaper), amiant, siliceous fossil residues, arsenic ores, steatite (talc) and feldspar (quartz, mica, schist, talc, silica, pumice, asbestos, natural corundum etc.)
62	Marble Works and Mining	08.99.02	Mining of Natural asphalt, asphaltites, asphalt, stone (natural solid bitumen) and bitumen
62	Marble Works and Mining	08.99.03	Quarrying of precious and semi-precious stones (rubies, emeralds, sapphires, chalcedony etc.) (except amber, jet, meerschaum and diamonds)
62	Marble Works and Mining	08.99.04	Quarrying of graphite
62	Marble Works and Mining	08.99.05	Mining of diamond (including industrial diamond)
62	Marble Works and Mining	08.99.90	Other quarrying and mining activities n.e.c.
62	Marble Works and Mining	09.10.01	Liquefaction and regasification of natural gas (in mining areas)
62	Marble Works and Mining	09.10.02	Exploration services in connection with petroleum or gas extraction (including investigations, research services, geological observations, plugging and abandoning wells and drilling activities for testing purposes etc.)
62	Marble Works and Mining	09.90.01	Other supporting services for mining and quarrying activities (investigations, research services, geological observations, unloading, pumping services) (except for drilling operations for testing purposes for oil and gas)
62	Marble Works and Mining	09.90.02	Drilling activities for testing purposes supporting mining and quarrying (except for purposes for oil and gas)
62	Marble Works and Mining	23.70.01	Cutting, shaping and finishing of stone and marble (including manufacturing of plate / sheet, basin, toilet, tile, flagstone, building stone, tombstone etc. made of natural stone, marble, alabaster, travertine, slate, but except ornaments)
62	Marble Works and Mining	23.70.02	Manufacture of ornaments from natural stone, marble, alabaster, travertine, slate (including the one made of meerschaum, amber, etc.)
62	Marble Works and Mining	46.73.10	Wholesale trade of processed marble, travertine, alabaster and the products made from them (including sheets, sinks forms etc. and sanitary products)
62	Marble Works and Mining	46.73.11	Wholesale trade of marble, granite, slate, sand stone etc. (unprocessed or in block form)
62	Marble Works and Mining	47.52.19	Retail trade of processed marble, travertine, alabaster and the products made from them in specialized stores (including sheets, sinks forms etc. and sanitary products)
62	Marble Works and Mining	84.13.13	Public management services related with mining, natural resources, manufacturing and construction
63	Energy	35.11.19	Production of electric energy
63	Energy	35.13.01	Distribution of electric energy (operation of electric energy distribution system transferring electricity from production source or transmission system to the end user)
63	Energy	35.14.03	Operation of electricity and transmission capacity exchanges for electric power

63	Energy	35.14.05	Charging stations activities for electric vehicles (automobile, motorbike, laptop, mobile phone etc.)
63	Energy	35.21.01	Manufacture of gaseous fuels with a specified calorific value, by purification, blending and other processes from gases of various types including natural gas
63	Energy	35.22.01	Distribution of gaseous fuels through a system of mains (distribution and supply of gaseous fuels of all kinds through a system of mains)
63	Energy	35.23.01	Trade of gas for users through a system of mains (except brokers and agencies)
63	Energy	35.23.02	Activities of gas brokers or agents that arrange the sale of gas over gas distribution systems operated by others
63	Energy	35.30.21	Production, collection and distribution of steam and hot water
64	Electrical Equipment	27.11.01	Manufacture of electric motors, generators and transformers (except parts and components)
64	Electrical Equipment	27.11.03	Manufacture of parts and components of electric motors, generators and transformers
64	Electrical Equipment	27.12.01	Manufacture of specific devices for electrical circuit switching, protection and control of electrical distribution (fuses, automatic circuit breakers, relays, insulation, circuit and load break switches, voltage limiters, wave suppressor e
64	Electrical Equipment	27.12.02	Manufacture of specific devices for electrical circuit switching, protection and control of electrical distribution (table for control panel, consoles, cabinets etc. including other support, but except electrical switch, plug and socket)
64	Electrical Equipment	27.20.02	Manufacture of non-rechargeable (primary) cells and batteries and their components and parts (cells and batteries containing manganese dioxide, mercuric dioxide, silver oxide, lithium oxide, zinc-air reacting)
64	Electrical Equipment	27.20.04	Manufacture of rechargeable cells and batteries and their parts
64	Electrical Equipment	27.31.04	Manufacture of fiber optic cables
64	Electrical Equipment	27.32.03	Manufacture of other electronic and electric cables and wires (coaxial cable and other coaxial electric conductors, insulated magnet wires, insulated underground underwater conductors, acetate and silicone copper conductors etc.) (except fi
64	Electrical Equipment	27.52.06	Manufacture of parts and components of non-electrical household appliances
64	Electrical Equipment	27.90.02	Manufacture of electrical capacitors, resistors (except heating resistors), rheostats and potentiometers
64	Electrical Equipment	27.90.03	Manufacture of mechanical and electromechanical signaling, safety and traffic control equipment (for railways, tramways, inland waterways, roads, parking facilities, airfields etc.) (including traffic lights and signal hardware)
64	Electrical Equipment	27.90.04	Manufacture of carbon electrodes and other articles of graphite or other carbon used in electrical works (including coal heating resistors, battery carbons, and coals for arc lamps and other lamps etc.)
64	Electrical Equipment	27.90.08	Manufacture of electrical machinery and devices with special functions (antenna amplifiers, electric fence energizer, electrical devices with translation or dictionary function, noise reduction units used in tape recorders etc.)
64	Electrical Equipment	27.90.09	Manufacture of electric insulators (isolators) (except the ones made of glass and ceramic)
64	Electrical Equipment	27.90.10	Manufacture of solarium booths, solarium lamps etc. and tanning equipment
64	Electrical Equipment	27.90.90	Manufacture of other electrical equipment n.e.c. (electro-magnetic couplings, brakes and lifting heads, and electrical particle accelerators, signal generators etc.)
64	Electrical Equipment	33.11.11	Maintenance and repair of nuclear reactors
64	Electrical Equipment	33.14.01	Maintenance and repair of power transformers, distribution transformers and special transformers (including electricity distribution and control apparatus)
64	Electrical Equipment	33.14.02	Maintenance and repair of Electric motors, generators, and motor generator sets (including rewind of cones)

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
64	Electrical Equipment	33.20.51	Installation services of electrical equipment (installation of electric motors, generators and transformers, electrical distribution and control equipment and other electrical equipment (except electrical signaling equipment for roads , etc
64	Electrical Equipment	35.12.13	Transmission of electric energy (operation of the transmission system from the sources generating electric to the distribution system)
64	Electrical Equipment	35.13.02	Maintenance and repair of electric counters
64	Electrical Equipment	35.14.01	Activities of electric power brokers or agents that arrange the sale of electricity via power distribution systems operated by others
64	Electrical Equipment	43.21.01	Installation of electrical wiring, cable TV and computer network installation and residential antennas (including satellite dishes), electric solar energy collectors, electricity meters, fire and burglary alarm systems of buildings and civi
64	Electrical Equipment	43.21.03	Installation of lighting and signaling systems on highways, railroads and other rail roads, ports and airports (including airport runway lighting systems)
64	Electrical Equipment	46.43.05	Wholesale trade of electric supplies (cable, fuses, sockets, plugs, sockets, bulbs, electrical switches, circuit breakers, switches, relays, batteries, battery, etc.) (except for industrial ones and those used in electrical machinery, appar
64	Electrical Equipment	46.43.08	Wholesale of burglary and fire alarms and similar devices (for household use)
64	Electrical Equipment	46.69.09	Wholesale trade of wind turbines, condensers, electrical insulators (insulators), AC / AD / DC motors, generators, etc. insulated winding wires, electrical machinery, apparatus and appliances
64	Electrical Equipment	47.54.03	Retail trade of electrical installation supplies for household use in specialized stores (transformer, fuses, relays, battery and battery pack, electric accumulators, coaxial cable, electric conductors, switches, sockets, plugs n.e.c., sock
65	Illumination	23.19.03	Manufacture of glass envelopes (open) and their glass components (used for electric light bulbs, electric lamps, cathode-ray tubes etc.)
65	Illumination	27.40.02	Manufacture of monoblock light unit for motor and air vehicles, electric lighting or visual signaling equipment for land, air and sea vehicles (including external warning lamp police cars, ambulances etc. instruments)
65	Illumination	27.40.03	Manufacture of chandeliers, sconces and other electrical lighting fixtures, scenery, photo or projector for movie studios and spot lights, electric table lamps, work lamps, lampshades etc. (including sets for decoration lighting)
65	Illumination	27.40.04	Manufacture of street lighting equipment (except traffic lights)
65	Illumination	27.40.05	Manufacture of batteries, accumulators, magnetos electric-powered, portable electric lamps and flashlights, lamps, gas lamps and luxury. lighting fixtures etc. (except for vehicles)
65	Illumination	27.40.07	Manufacture of parts and components of other lamps and lighting fixtures with lamps, lighting fixtures and the like n.e.c. (except glass or plastic ones)
65	Illumination	27.90.06	Manufacture of electric sound or visual signaling apparatus, liquid crystal devices (LCD) or light emitting diodes (LED) display panels n.e.c. (including electronic number plate (scoreboard))
65	Illumination	46.47.03	Wholesale trade of lighting equipment (chandeliers, sconces, etc.)
65	Illumination	47.59.02	Retail trade of lighting equipment in specialized stores (lamps, lighting fixtures, chandeliers, lamp shades, illuminated signs, portable electric lamps etc.) (except electrical components)
66	Technical and Decorative Lighting	26.40.08	Manufacture of audio and video players and recorders, household-type video cameras and other video recording or reproducing apparatus
66	Technical and Decorative Lighting	26.40.09	Manufacture of radio and television (including the ones used in vehicles)
66	Technical and Decorative Lighting	26.40.10	Manufacture of microphone, speaker and headphone amplifiers and electric sound amplifiers
66	Technical and Decorative Lighting	26.40.11	Manufacture of monitors and projectors (not used in an automatic data processing system as computes)
66	Technical and Decorative Lighting	26.40.12	Manufacture of video games and consoles (the ones used with television or have its own screen)
66	Technical and Decorative Lighting	27.51.02	Manufacture of household-type electric water heaters (including storage water heaters, instantaneous water heaters, geysers, gas heater), electric heaters (electric stove, radiator, etc..) and electric soil heating apparatus
66	Technical and Decorative Lighting	27.51.03	Manufacture of vacs and carpet cleaning / washing machine and dry or wet vacuum cleaners, cordless and battery-operated handheld vacuum cleaner

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
66	Technical and Decorative Lighting	27.51.04	Manufacture of small electric household appliances used in kitchen (tea or coffee maker, urn, grilling, frying machine, food processor, mixer, blender, juicer, meat grinder, toaster, fryer, etc.)
66	Technical and Decorative Lighting	27.51.05	Manufacture of other small electric household appliances (electro hand dryer, electric iron, towel dispenser, air humidifier) and electric blankets
66	Technical and Decorative Lighting	27.51.06	Manufacture of electrical personal care appliances (electric shaver, epilator and hair clipper, hair styling electro machine (hair dryers, curlers, combs, curling irons), electric toothbrush, etc.)
66	Technical and Decorative Lighting	27.51.07	Manufacture of components and parts of electrical household appliances
66	Technical and Decorative Lighting	27.51.08	Manufacture of domestic refrigerator, freezer, washing machine, tumble dryer, dishwasher, ceiling fan, extractor fan, hoods, oven, stove, microwave oven, electric cooking plate etc.
66	Technical and Decorative Lighting	27.51.90	Manufacture of other electric household appliances n.e.c.
66	Technical and Decorative Lighting	27.52.02	Manufacture of household-type non-electric gas, liquid or solid fuel stove, cooker, grill, fireplace, barbecue, urn, water heater (geysers, gas heater etc.) etc.
66	Technical and Decorative Lighting	27.52.05	Manufacture of non-electric cooking devices (gas-fired countertop stoves, gas or oil-fired furnaces and stoves etc.)
66	Technical and Decorative Lighting	46.15.03	Brokers making the wholesale trade of radio, television and video equipment on a fee or contract basis
66	Technical and Decorative Lighting	46.43.01	Wholesale trade of white appliances (fridge, washing machine, dishwasher, oven, tumble dryer etc.)
66	Technical and Decorative Lighting	46.43.09	Wholesale trade radio, television, video and DVD equipment (including antenna and radio and TV equipment for cars)
66	Technical and Decorative Lighting	46.43.12	Wholesale trade of air conditioners used in houses, offices and stores (non-industrial)
66	Technical and Decorative Lighting	46.43.90	Wholesale trade of electric household appliances n.e.c. (irons, vacuum cleaners, extractor fan, ceiling fan, shaver, hair dryer, water purification equipment, sewing machine, water heater, electric stove, electric radiators etc.)
66	Technical and Decorative Lighting	46.49.16	Wholesale trade of personal or household scales and weighing devices
66	Technical and Decorative Lighting	47.43.01	Retail trade of audio and video devices and their components in specialized stores (radio, television, stereo, DVD player, mp3 player, etc.)
66	Technical and Decorative Lighting	47.54.01	Retail trade of household appliances and small electric household appliances in specialized stores (fridge, washing machine, water heater, fan, oven, toaster, food processor, etc.) (except radio, television and photography products)
66	Technical and Decorative Lighting	47.54.90	Retail trade of electric household appliances n.e.c. in specialized stores (house burglary and fire alarms, shaving, sewing, weaving and knitting machine, oven, stove, radiator, home type air conditioner etc.) (except radio, TV and photography)
66	Technical and Decorative Lighting	47.79.04	Retail trade of used furniture, electric and electronic household goods in specialized stores
66	Technical and Decorative Lighting	95.21.01	Maintenance and repair of consumer electronics products (TV, radio, CD / DVD players, home video cameras, etc.).
66	Technical and Decorative Lighting	95.22.01	Repair of electrical equipment used in houses (fridge, oven, washing machine, dishwasher, room air conditioners, electric small appliances, etc.)
66	Technical and Decorative Lighting	95.22.03	Maintenance and repair of water heater, gas heater and bathroom boiler etc. (except repair of central boilers)
67	Telecommunication	26.11.04	Manufacture of diodes, transistors, of cardiac, triacs, thyristors, resistors, LEDs, crystal, relays, micro switches, fixed or adjustable electronic integrated circuits with resistors and capacitors
67	Telecommunication	26.11.05	Manufacture of cathode-ray picture tubes, television camera tubes and magnetrons, klystrons, microwave tubes and other valve tubes, LCD and plasma TV panels and indicators
67	Telecommunication	26.11.06	Manufacture of bare printed circuit boards
67	Telecommunication	26.11.90	Manufacture of other electronic components n.e.c.
67	Telecommunication	26.12.01	Manufacture of loaded electronic boards (loaded printed circuit boards, audio, video, controllers, network and modem cards and smart cards etc.)

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
67	Telecommunication	26.30.02	Manufacture of radio and television studios, broadcasting equipment and radio and television transmission equipment (including TV cameras and the base station)
67	Telecommunication	26.30.03	Manufacture of communication devices using infra-red signals (e.g. remote controls)
67	Telecommunication	26.30.05	Manufacture of transmit and receive antennas (external, telescopic, bar, satellite dish antennas and air and sea vehicles)
67	Telecommunication	26.30.06	Manufacture of wired and wireless phone, cell phone, cable video phone, pager and fax machine (including manufacture of answering machines)
67	Telecommunication	26.30.08	Manufacture of centralized communication equipment and digital or analog telephone-telegraph stations and data transmission equipment such as gateways, bridges, routers (including walrus or walrus-type recorder and keys)
67	Telecommunication	26.30.09	Manufacture of burglary and fire alarm systems and door intercom systems (intercom) (including those with video) (except alarm systems for motor vehicles)
67	Telecommunication	26.30.10	Manufacture of other machines used for receiving, processing, transmitting / re-creation of voice, images or other data (including transmitter/ receiver with a telegram, telex devices and equipment, switching and routing devices)
67	Telecommunication	26.30.90	Manufacture of other communication equipment n.e.c.
67	Telecommunication	26.40.90	Manufacture of the products consumer electronics n.e.c.
67	Telecommunication	26.80.01	Manufacture of blank magnetic audio and video cassette tapes (including plaque)
67	Telecommunication	26.80.02	Manufacture of magnetic stripe cards (including blank phone card)
67	Telecommunication	26.80.03	Production of blank CD, DVD, floppy disks, blue ray (Blu-ray) discs, etc. (including block (matrix) and master used for the production of discs)
67	Telecommunication	26.80.90	Manufacture of magnetic and optical media n.e.c.
67	Telecommunication	42.22.05	Maintenance and repair of telecommunications networks
67	Telecommunication	46.43.04	Wholesale trade of records, audio and video tapes, CDs and DVDs (except blank ones)
67	Telecommunication	46.52.01	Wholesale trade of telecommunication equipment and components (including phone and communication equipment)
67	Telecommunication	46.52.02	Wholesale trade electronic devices and components (electronic valves, tubes, semiconductor devices, microchips, integrated circuits, printed circuits, etc.) (except navigation devices)
67	Telecommunication	46.52.04	Wholesale trade of blank audio and video tapes and diskettes, magnetic and optical disks, CD and DVD
67	Telecommunication	46.52.05	Wholesale of direction finding compasses and other navigational instruments and appliances
67	Telecommunication	47.42.01	Retail trade of telecommunications equipment in specialized stores (telephone, cell phone, fax etc.)
67	Telecommunication	47.89.05	Retail trade of electrical machinery, equipment and hand tools, hardware, electrical supplies via stalls and markets (except peddler)
67	Telecommunication	61.10.15	Wired telecommunication activities (except provision of internet access over wired networks)
67	Telecommunication	61.10.17	Provision of internet access over wired networks
67	Telecommunication	61.20.02	Wireless telecommunication activities (except provision of internet access over wireless networks and over satellite)
67	Telecommunication	61.20.03	Provision of internet access over wireless networks
67	Telecommunication	61.30.01	Telecommunication activities over satellite

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
67	Telecommunication	61.90.04	Operation of radar stations for telecommunication applications
67	Telecommunication	61.90.07	Activities of resellers of telecommunication service
67	Telecommunication	61.90.90	Other telecommunications activities n.e.c. (satellite tracking, communications telemetry etc., provision of telecommunications applications requiring expertise, provision of online access to the internet, VOIP, etc.)
67	Telecommunication	80.20.01	Activities for security systems (burglary and fire alarms, security systems, such as electronic safe control, installation, maintenance and the verification of the received alarm signal system and mobilization of units such as police, fire
67	Telecommunication	80.20.02	Fire protection/prevention services non-classified elsewhere
67	Telecommunication	82.20.01	Activities of call centers
67	Telecommunication	82.99.06	Phone-based support activities (telephone answering and wake-up service)
67	Telecommunication	95.12.01	Repair of communication equipment and devices (wireless phones, radios, cell phones, pagers, commercial cameras etc.)
68	Plastic and Rubber	16.29.04	Manufacture of wooden working tools, tool bodies, tool handles, broom or brush bodies and handles, shoe molds, wooden pegs, clothes hangers and hats
68	Plastic and Rubber	20.16.01	Manufacture of primary forms polyamides, urea resins, melamine resins, etc. plastic raw materials
68	Plastic and Rubber	20.16.02	Manufacture of primary forms alkyd resin, polyester resin, epoxy resin, polyacetal, polycarbonate and other polyether or polyester
68	Plastic and Rubber	20.16.03	Manufacture of primary form polymers (including ethylene, propylene, styrene, vinyl chloride, vinyl acetate, vinyl esters, acrylic etc. polymers hardened with proteins, chemical derivatives of natural rubber)
68	Plastic and Rubber	20.17.01	Manufacture of synthetic rubber in primary forms
68	Plastic and Rubber	22.11.17	Manufacture of rubber inner tube (including f interchangeable tyre treads, tyre flaps, "camelback" strips for retreading tyres)
68	Plastic and Rubber	22.11.18	Manufacture of rubber tyres (for motorcycles, bicycles, automobiles, buses, trucks, aircrafts, tractors and other vehicles and equipment (including solid or cushion tyres)
68	Plastic and Rubber	22.11.19	Rebuilding and retreading tyres (tyre coating)
68	Plastic and Rubber	22.19.01	Manufacture of rubber hygienic and pharmacy products (including condoms, baby pacifier, hygienic gloves etc.)
68	Plastic and Rubber	22.19.02	Manufacture of tubes, pipes and hoses (vulcanized rubber)
68	Plastic and Rubber	22.19.03	Manufacture of rubber clothing and clothing accessories (clothes, gloves etc.)
68	Plastic and Rubber	22.19.04	Manufacture of rubber brooms and brushes
68	Plastic and Rubber	22.19.06	Manufacture of rubber floorings and door mats
68	Plastic and Rubber	22.19.07	Manufacture of textile fabric impregnated, coated, covered or laminated with rubber, where rubber is chief constituent (except cord fabrics)
68	Plastic and Rubber	22.19.08	Manufacture of rubber bands, tobacco pouch, windshield wipers, date stamp for the characters, taps, sink pumps, stoppers and rings of hard rubber for bottles and other products
68	Plastic and Rubber	22.19.09	Manufacture of rubber conveyor or transmission belts or belting
68	Plastic and Rubber	22.19.10	Manufacture of rubber plates, sheets, strip, rods, profile shapes
68	Plastic and Rubber	22.19.12	Manufacture of rubber eraser, washers, gaskets, boat or pier fenders, other molded parts of vulcanized rubber used in technical jobs and rail, road vehicles and other vehicles

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
68	Plastic and Rubber	22.19.13	Manufacture of vulcanized (hardened with sulfur) rubber (rope cord, plates, sheets, strip, rods and profile shapes)
68	Plastic and Rubber	22.21.03	Manufacture of ware plastic tubes, pipes, hoses and fittings (including artificial intestines)
68	Plastic and Rubber	22.21.04	Manufacture of semi-manufacture plastics profiles, rods, plates, sheets, blocks, film, foil, tape, etc. and monofilament manufacturing (including nylon tarpaulins)
68	Plastic and Rubber	22.22.43	Manufacture of plastic bags, garbage bags, handbag, bags, sacks, nets, crates, boxes, safes, bottle, cans, spools, cops, bobbins, stoppers, lids, capsules and similar packaging materials (including urine collection bag)
68	Plastic and Rubber	22.23.03	Manufacture of plastic tanks, reservoirs, barrels and similar containers
68	Plastic and Rubber	22.23.04	Manufacture of plastic prefabricated buildings
68	Plastic and Rubber	22.23.05	Manufacture of plastic resilient floor coverings, such as vinyl, linoleum etc. and wall or ceiling coverings in rolls or in the form of tiles (except wall papers)
68	Plastic and Rubber	22.23.06	Manufacture of plastic stairs, stair handrails, shutters, awnings, blinds, roller blinds, etc. and their parts
68	Plastic and Rubber	22.23.07	Manufacture of plastic sanitary ware like plastic baths, shower baths, washbasins, lavatory pans, flushing cisterns etc. (including installation and fixation fittings used for permanent installments)
68	Plastic and Rubber	22.23.08	Manufacture of plastic doors, windows, frames, shutters, blinds, skirting boards , etc.
68	Plastic and Rubber	22.23.90	Manufacture of other plastic construction materials n.e.c. (manufacturing of plastic artificial stone and cultured marble)
68	Plastic and Rubber	22.29.01	Manufacture of plastic tableware, kitchenware and toilet articles (silicone cake mold, basins, bowls, buckets, etc.)
68	Plastic and Rubber	22.29.03	Manufacture of plastic office and school supplies
68	Plastic and Rubber	22.29.05	Manufacture of plastic fittings for machinery, furniture, hood, hand tools , etc., and transmission and conveyer belts
68	Plastic and Rubber	22.29.06	Manufacture of plastic cap (except protective ones), insulating fittings and plastic parts of lamps, lighting equipment, flashing signboards etc. n.e.c.
68	Plastic and Rubber	22.29.07	Manufacture of plastic pegs, hangers, sponge, soap, combs, curlers, buckles, hair hairpin, bead, trinkets, figurines and other items made with state of self-adhesive plates, strips , etc. products
68	Plastic and Rubber	22.29.90	Manufacture of other plastic products n.e.c.
68	Plastic and Rubber	25.73.05	Manufacture of plastic molding and casting patterns (except patterns for cake and shoes)
68	Plastic and Rubber	27.33.02	Manufacture of equipment used in cabling (plug, socket, printed, button, etc., switches, plugs, sockets, plastic electrical conduit and cable trays, insulating plastic fittings for machinery and equipment, etc.) (except for use in electroni
68	Plastic and Rubber	31.09.08	Manufacture of plastic benches, tables, stools, chairs, etc. and furniture
68	Plastic and Rubber	32.40.10	Manufacture of plastic wheeled toys, toys, prams, toy trains and other reduced-size models or construction sets, racing sets (including motorized, die-cast and other plastic toys)
68	Plastic and Rubber	32.91.90	Manufacture of other brooms and brushes n.e.c. (except for electrical ones)
68	Plastic and Rubber	32.99.90	Other manufactures n.e.c. (including the ones made of intestines (except silk worm gland), crop and bladder, except medical ones)
68	Plastic and Rubber	46.49.17	Wholesale trade of plastic tableware, kitchenware and other household articles and toilet articles (plastic trays, cups, plates, bags, sponges, etc.)
68	Plastic and Rubber	46.73.15	Wholesale trade of plastic doors, windows and frames and thresholds for doors, shutters, blinds, blinds and similar articles
68	Plastic and Rubber	46.73.17	Wholesale trade of plastic prefabricated buildings and construction elements

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
68	Plastic and Rubber	46.73.20	Wholesale trade of plastic plates, sheets, films, foils, strips, pipes and roofing products made of asphalt materials for construction purposes (nylon cover, shingles for construction and greenhouse, and styrofoam etc. for siding purposes)
68	Plastic and Rubber	46.76.04	Wholesale trade of plastics and rubber in primary forms (ethylene, styrene, vinyl chloride, acrylic , etc. polymers, and synthetic and reclaimed rubber in primary forms)
68	Plastic and Rubber	46.76.05	Wholesale trade of plastic bag, bag, sack, pouch , etc. packaging materials used in industry
68	Plastic and Rubber	47.52.09	Retail trade of plastic doors, windows and frames and thresholds for doors, shutters, blinds, blinds and similar articles in specialized stores (including PVC products)
68	Plastic and Rubber	47.52.21	Retail trade of plastic plates, sheets, films, foils, strips, pipes and roofing products made of asphalt materials for construction purposes in specialized stores (nylon cover, shingles for construction and greenhouse, and styrofoam etc. fo
68	Plastic and Rubber	47.59.07	Retail trade of plastic tableware, kitchenware and other household articles and toilet articles in specialized stores (including plastic plates, cups, bags, cans, bottles, flasks, coils, coil, furniture parts, etc.)
69	Chemicals	10.41.03	Manufacture of linseed
69	Chemicals	19.20.16	Manufacture of petroleum oils (lubrication and machine oils) (including grease oil)
69	Chemicals	19.20.17	Manufacture of vaseline, paraffin wax, petroleum wax, petroleum coke, petroleum bitumen and other petroleum products
69	Chemicals	19.20.19	Manufacture of other mixtures derived from petroleum oils or bituminous oils in 70% or more rate in weigh (including biodiesel products mixed with 70% petroleum oil, except mineral oil)
69	Chemicals	20.11.01	Manufacture of industrial gases (hydrogen, inert gases, nitrogen, oxygen, carbon dioxide and other inorganic oxygen compounds of non-metals, cooling-freezing gases and liquid or compressed inorganic industrial gases as air and medical gases
69	Chemicals	20.12.01	Manufacture of dyes and pigments (in primary or concentrated form from any source) (except prepared dyes)
69	Chemicals	20.12.02	Manufacture of vegetable based tanning extracts, tannins and its salts, ethers, esters and other derivatives, colouring items vegetable and animal based
69	Chemicals	20.13.02	Manufacturing of metallic halogens, hypochlorite, chlorates and perchlorates (including bleach)
69	Chemicals	20.13.03	Manufacture of sulfides, sulfates, phosphinates, phosphonates, phosphates and nitrates (including alum)
69	Chemicals	20.13.04	Manufacture of carbonates (sodium, calcium and others) (including washing soda)
69	Chemicals	20.13.07	Manufacture of other metal salts, and basic inorganic chemicals (isotopes and their compounds, oxometallic / peroxometallic acid salts, cyanides, borates, hydrogen peroxide, sulfur, roasted iron pyrites, piezo-electric quartz etc.)
69	Chemicals	20.13.90	Manufacture of chemical elements, inorganic acids and compounds n.e.c. (chlorine, iodine, fluorine, boron, silicon, phosphorus, metalloids such as arsenic, scandium, mercury, oxides, hydroxides, hydrogen chloride, etc.)
69	Chemicals	20.14.01	Manufacture of basic organic chemicals (hydrocarbons, alcohols, acids, aldehydes, ketones, synthetic glycerol, nitrogen functionalized compounds etc.) (including ethyl alcohol, citric acid)
69	Chemicals	20.14.05	Manufacture of natural resin and derivatives, colophane, esterification and modification products of colophanes, pine turpentine and pine essences, natural gum turpentine
69	Chemicals	20.15.01	Manufacture of phosphated or potash fertilizers, fertilizers containing two (nitrogen and phosphorus or phosphorus and potassium) or three nutrients (nitrogen, phosphorus and potassium), sodium nitrate and other mineral fertilizers
69	Chemicals	20.15.02	Manufacture of complex nitrogenous products (nitric acid, sulphonic acid, pure ammonia, ammonium chloride (salammoniac), ammonium carbonate, nitrites, potassium nitrates, etc.) (except fertilizers)
69	Chemicals	20.16.04	Manufacture of silicone and polymer-based ion exchanger in primary form
69	Chemicals	20.16.05	Manufacture of other amino resins in primary forms, phenolic resins, polyurethanes, polyterpenes, polysulphides, cellulose and chemical derivatives and other petroleum resins
69	Chemicals	20.20.11	Manufacture of insecticides, rodenticides, fungicides, herbicides, acaricides, molluscicides, biocides
69	Chemicals	20.20.13	Manufacture of anti-sprouting products, plant growth regulators

### Occupational Groups and NACE Codes List

GROUP NUMBER	GROUP NAME	NACE CODE	DESCRIPTION OF NACE
69	Chemicals	20.20.14	Manufacture of other agrochemical products (except fertilizer and nitrogenous compound)
69	Chemicals	20.20.15	Manufacture of disinfectants (for agricultural and other use) (including hygienic material, bacteriostats and sterilizing materials) (excluding natural disinfectants)
69	Chemicals	20.20.16	Manufacture of natural disinfectants
69	Chemicals	20.30.11	Manufacture of dyes, polishes and acrylic- and vinyl-based ones (dispersible in aqueous medium, disintegrants and solutions)
69	Chemicals	20.30.12	Manufacture of putty (including the ones for filling, glasses and coating, and lead putty etc.)
69	Chemicals	20.30.13	Manufacture of other paints, varnishes and related products (color adjusters, printing inks, solvents, thinner)
69	Chemicals	20.30.14	Manufacture of dyes, varnishes, polyester, acrylic- and vinyl-based ones (including ones dispersable, resolable and solutions in dry medium)
